

SKY RIVER MEAD

Mead... the sacred drink of gods and men alike, brewed from honey believed to have descended from the Heavens as dew, then gathered in by bees. Folklore tells us that Mead was thought to bestow harmony, wit and poetry. Warriors and lovers alike partook of its fragrant essence. From the distant cultures of ancient Europe, shrouded in mist, Sky River brings the age-old art of making mead into the twenty-first century to create a new tradition. Sky River Mead is available in sweet, dry and fruited varieties to appeal to all discriminating tastes. Our Sweet Mead can be enjoyed by itself or after a delicious meal. Sky River Dry Mead is a handsome complement to poultry or game. With its full palette and honeyed notes, Mead is a rewarding indulgence sipped chilled on a hot summer afternoon or heated in a toddy on a cozy winter's eve. *Wassail!*
